

UNITED STATES OF AMERICA
UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF MICHIGAN
NORTHERN DIVISION

BILLY JOE CHAMBERS #472742,

Plaintiff,

Case No. 2:10-cv-367

v.

Honorable Robert Holmes Bell

MICHIGAN DEPARTMENT
OF CORRECTIONS, et al.,

Defendants.

OPINION

This is a civil rights action brought by a state prisoner pursuant to 42 U.S.C. § 1983.

The Court has granted Plaintiff leave to proceed *in forma pauperis*. Under the Prison Litigation Reform Act, PUB. L. NO. 104-134, 110 STAT. 1321 (1996), the Court is required to dismiss any prisoner action brought under federal law if the complaint is frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief from a defendant immune from such relief. 28 U.S.C. §§ 1915(e)(2), 1915A; 42 U.S.C. § 1997e(c). The Court must read Plaintiff's *pro se* complaint indulgently, *see Haines v. Kerner*, 404 U.S. 519, 520 (1972), and accept Plaintiff's allegations as true, unless they are clearly irrational or wholly incredible. *Denton v. Hernandez*, 504 U.S. 25, 33 (1992). Applying these standards, the Court will dismiss Plaintiff's complaint for failure to state a claim against Defendants Michigan Department of Corrections and Michigan Department of Corrections Bureau of Health Care Services. The Court will serve the complaint against

Defendants Prison Health Services and the Medical Director of the MDOC Bureau of Health Care Services.

Discussion

I. Factual allegations

Plaintiff Billy Joe Chambers #472742, an inmate at the Newberry Correctional Facility (NCF), filed this *pro se* civil rights action pursuant to 42 U.S.C. § 1983 against Defendants Michigan Department of Corrections (MDOC), Michigan Department of Corrections Bureau of Health Care Services, and Prison Health Services. In addition, in the body of Plaintiff's complaint, he names the Medical Director of the Bureau of Health Care for the MDOC. In his complaint, Plaintiff states that he suffers from a malignant tumor in his brain, which is causing him to experience numerous recurring seizures, and that surgery is the only possible cure. Plaintiff asserts that Prison Health Services, Inc. (PHS), contracts with the MDOC to provide health care services to the prison population. Plaintiff alleges that Defendants are refusing to authorize necessary medical treatment to address his life threatening illness. Plaintiff seeks immediate injunctive relief.

II. Failure to state a claim

A complaint may be dismissed for failure to state a claim if “‘it fails to give the defendant fair notice of what the . . . claim is and the grounds upon which it rests.’” *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007) (quoting *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957)). While a complaint need not contain detailed factual allegations, a plaintiff's allegations must include more than labels and conclusions. *Twombly*, 550 U.S. at 555; *Ashcroft v. Iqbal*, 129 S. Ct. 1937, 1949 (2009) (“Threadbare recitals of the elements of a cause of action, supported by mere conclusory statements, do not suffice.”). The court must determine whether the complaint contains “enough

facts to state a claim to relief that is plausible on its face.” *Twombly*, 550 U.S. at 570. “A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged.” *Ashcroft*, 129 S. Ct. at 1949. Although the plausibility standard is not equivalent to a “‘probability requirement,’ . . . it asks for more than a sheer possibility that a defendant has acted unlawfully.” *Ashcroft*, 129 S. Ct. at 1949 (quoting *Twombly*, 550 U.S. at 556). “[W]here the well-pleaded facts do not permit the court to infer more than the mere possibility of misconduct, the complaint has alleged – but it has not ‘show[n]’ – that the pleader is entitled to relief.” *Ashcroft*, 129 S. Ct. at 1950 (quoting FED. R. CIV. P. 8(a)(2)); see also *Hill v. Lappin*, ___ F.3d ___, 2010 WL 5288892, at *2 (6th Cir. Dec. 28, 2010) (holding that the *Twombly/Ashcroft* plausibility standard applies to dismissals of prisoner cases on initial review under 28 U.S.C. §§ 1915A(b)(1) and 1915(e)(2)(B)(i)).

To state a claim under 42 U.S.C. § 1983, a plaintiff must allege the violation of a right secured by the federal Constitution or laws and must show that the deprivation was committed by a person acting under color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988); *Street v. Corr. Corp. of Am.*, 102 F.3d 810, 814 (6th Cir. 1996). Because § 1983 is a method for vindicating federal rights, not a source of substantive rights itself, the first step in an action under § 1983 is to identify the specific constitutional right allegedly infringed. *Albright v. Oliver*, 510 U.S. 266, 271 (1994).

Plaintiff may not maintain a § 1983 action against the Michigan Department of Corrections or the MDOC Bureau of Health Care Services. Regardless of the form of relief requested, the states and their departments are immune under the Eleventh Amendment from suit in the federal courts, unless the state has waived immunity or Congress has expressly abrogated Eleventh Amendment immunity by statute. See *Pennhurst State Sch. & Hosp. v. Halderman*, 465

U.S. 89, 98-101 (1984); *Alabama v. Pugh*, 438 U.S. 781, 782 (1978); *O'Hara v. Wigginton*, 24 F.3d 823, 826 (6th Cir. 1993). Congress has not expressly abrogated Eleventh Amendment immunity by statute, *Quern v. Jordan*, 440 U.S. 332, 341 (1979), and the State of Michigan has not consented to civil rights suits in federal court. *Abick v. Michigan*, 803 F.2d 874, 877 (6th Cir. 1986). In numerous unpublished opinions, the Sixth Circuit has specifically held that the MDOC is absolutely immune from suit under the Eleventh Amendment. *See, e.g., McCoy v. Michigan*, 369 F. App'x 646, 653-54 (6th Cir. Mar. 12, 2010); *Turnboe v. Stegall*, No. 00-1182, 2000 WL1679478, at *2 (6th Cir. Nov. 1, 2000). In addition, the State of Michigan (acting through the Michigan Department of Corrections) is not a "person" who may be sued under § 1983 for money damages. *See Lapidus v. Bd. of Regents*, 535 U.S. 613 (2002) (citing *Will v. Mich. Dep't of State Police*, 491 U.S. 58 (1989)). Therefore, the Court dismisses the Michigan Department of Corrections and the MDOC Bureau of Health Care Services as Defendants in this case.

Conclusion

Having conducted the review now required by the Prison Litigation Reform Act, the Court determines that Defendants Michigan Department of Corrections and the MDOC Bureau of Health Care Services will be dismissed for failure to state a claim pursuant to 28 U.S.C. §§ 1915(e)(2) and 1915A(b), and 42 U.S.C. § 1997e(c). The Court will serve the complaint against Defendant Prison Health Services, Inc., and Defendant Medical Director of the MDOC Bureau of Health Care Services.

An Order consistent with this Opinion will be entered.

Dated: January 3, 2011
